

Foothills Parkway Operational Improvements Background and Project Purpose

- Eliminate bottleneck at Foothills Pkwy/Valmont Rd by extending the third southbound lane from Valmont Rd to the Diagonal Hwy on-ramp
 - Reduce congestion and improve safety
 - Delay reduction achieved
 - ➔ 100 hours for each weekday
- Multimodal improvements to Foothills Parkway have already been made
- The project budget is \$750,000 funded in partnership by:
 - FHWA \$600,000
 - Colorado Dept of Trans. \$ 75,000
 - City of Boulder Transportation \$ 75,000
