Housing Process Subcommittee
2.26.15

Mar. ~~12~~ 4th next mtg. (future: tueds. lunch weekly)

Communications

- Between working groups + with process subcom.
- Comman email address to this group
- Email for public → staff/committee working groups (ask w.g. members ⇒)
- working groups should receive/ask first - "opt out"
- lots of ways for public to be involved:
  - currently goes through facilitator to make info public.
- public forum - "chat room"? (instead of indiv email)
  - looking at "lo fi" options

①

rmit Applications · Res

- keep it simple! don't inundate w/ emails (feeling to have to respon

- BaseCamp being used for energy-check in

- principles:
easy, transparent, sharing info, don't inunda

- Two tools: Email + "chat room" type

Code for America Christian + Becky

- Code Across → 13 solutions, incl. "quick wins"

- next steps: thanks to participants
summary

- copy council + PB for anything sent

- manage expectations — circle back w/ci
(it was clear it was volunteers, not city)

- put such events on calendar / emails that go to planning list.

CodeforBoulder.org

- By Subcommunity
  - capture unique ideas by neighborhood 3
  - finer granularity 3

- polling to get to key issues?
  (BVCP or in this)
  Statistically valid.
- How do people find out — + which to attend?
- + how to not get just the same people.

SPEAKER PANELS

Eben Fodor — BVCP may be more appr.
(not housing, but gets at issues...)

Doug E - economist might be appr. (San Fran.)

a panel like "demystifying housing"?
a blend of inside / outside people

Homework: watch video.

Make website a clearinghouse for info/articles
