Typical placements

- require minimum stay which may be negotiable
- require a primary physician orders prior to admission
- require a current history and physical by the physician
- cost the same as the private pay room rate; all fees are due on admission
- may require room hold fee to guarantee a vacancy is saved
- may be in shared or private room depending on what is available
- involve admission paperwork and may involve discharge paperwork
- become easier if a relationship is established with one facility for repeated use
