

## PROJECT SCOPE

- Reconstruction of Diagonal Hwy from 28th Street to 30th Street with concrete pavement
- New multi-use path, bicycle lanes, sidewalks, and curb and gutter
- Potential shift of roadway up to 18' north near mid-point of project to better accommodate new bike/ped facilities on south side.
- Transit stop relocations and improvements
- Landscaping, urban design, and public art
- Intersection improvements at Diagonal Hwy / 30th Street
- Potential construction of a 10' concrete multi-use path to 34th Street

**TOTAL PROJECT BUDGET - \$4.4 million**

- \$1.2 million in City transportation funds

- \$2.8 million in Federal transportation funds
- \$400,000 in State transportation funds
