Dear Mr. Fell:

As part of the EPA's investigations of potential hazardous waste disposal sites, I am seeking information on surface water use in the vicinity of Valmont Butte. I am particularly interested in diversions from Boulder Creek in Sections 13, 14 and 23, Township 1 North, Range 70 West. Mike Whitmore of the Boulder County Health Department indicated that you might be able to provide this data for Green Ditch.

Please send to me at the above address the following:

- locations of diversions
- volume of water diverted
- if available, the number of acres irrigated

If you have any questions regarding this request, please write or call me at 837-6238. Thank you for your assistance.

Sincerely yours,

*Judith Wong*
