Re: City of Boulder, Valmont Buttes/Allied Piles Site – Proposed Actions Schedule
Extension Request

Dear Ms. Cordery-Cotter:

The State has reviewed your request for a schedule extension proposed in your letter dated July 11, 2007. This extension is to a schedule proposed in the City of Boulder's December 16, 2005 "Proposed Actions" letter to CDPHE and approved by CDPHE in a letter dated January 4, 2006. The reasons for the delay in the prairie dog management and cap restoration projects were adequately described in your July 11 letter. Your request for extension of the original schedule as described in the July 11, 2007 letter is acceptable.

If you have any questions regarding this letter, please contact me at philip.stoffey@state.co.us or (303) 692-3452.

Sincerely,

Philip S. Stoffey
Project Manager
Remediation Management Program
Hazardous Materials and Waste Management Division
