

PARK-TO-PARK

FREE SHUTTLE TO CHAUTAUQUA

Start Your Visit Off Right.

Enjoy a convenient, stress-free way to access Chautauqua! The Park to Park pilot program aims to create a better visitor experience while reducing vehicular and parking impacts on neighbors and the area's natural and cultural resources.

Here's How It Works:

-  Free parking and shuttle service are available at the CU Regent, New Vista High School, and downtown parking garages.
-  Prefer not to use the free satellite parking? Paid parking (\$2.50/hr) is available in designated areas in and around Chautauqua. Pay at one of the five pay stations along Baseline, or save time by downloading the ParkMobile app!
-  Another option is to take Lyft to/from Chautauqua. Receive \$1.25 off each trip with promo code: ParktoPark
