

North Wonderland NECO Pass 2006 Pricing

Our goal is to meet the cost of the 2006 RTD contract with our neighborhood as fairly as possible. The **usage based price guidelines** represent a substantial discount to what you would pay on a cash basis for the same usage on buses and light rail, and monthly RTD passes. Please pledge the highest amount that describes you. For example, an adult who takes 4 local RTD trips a month but only goes to DIA once a year, should pay \$30 - \$75, not \$15 - \$25. These are guidelines, not hard and fast prices. It's up to your discretion how much you pay. Please give your fair share.

Last year you paid \$ _____ for _____ pass/passes. Please consider pledging at least 10% more.
