

Civic or Professional Group Tour Participant Guidelines

- Tours can accommodate a maximum of 20 people. If you have more, the group will be split into 2 separate tour groups.
- Wear closed-toe shoes; no heels; no flip-flops or sandals. You will be touring an industrial site.
- Dress for the weather; the majority of the tour is outside.
- No smoking, eating, or drinking during the tour. The site has biological hazards.
- Restrooms will be available at the beginning and the end of the tour only.
- Walking tours take 1-2 hours. Please be prepared.
- Tours may be ended early for any reason. Safety is our first priority.
- Enjoy your tour! Ask lots of questions. Remember there is never a dumb question.
