Previous Engagement - Fall 2018

- Inadequate community engagement process
- Focused on a too-narrow range of alternatives
- resulted in community concern
We Heard You!
Thank you for the constructive and valuable feedback

- Pier and boardwalk are no longer considered in the area.
- Preliminary concepts designed in the fall of 2018 are set aside.

Re-design the community engagement and planning process
Why Wonderland Lake ISP

- Trail Study Area (TSA) Planning
- Implementation focus in the North
Sec. 176. Open Space Purposes
OSMP land shall be acquired, maintained, preserved, retained and used only for:
Preservation of:
(a) natural areas
(b) water resources
(c) land for passive recreation
(d) agricultural uses
(e) Land for aesthetic or passive recreation value and contribution to the quality of life
Utilization of land for:
(f) shaping development
(g) spatial definition
(h) prevention of encroachment on floodplains
Integrated Site Plans

- Trails Project
- Plan Guidance
- Interpretive Project
- Ecological Project
- Trailhead Project

Wonderland Lake ISP
Integrated Site Plans

Wonderland Lake ISP
Integrated Site Plan Goals

Set of *on-the ground* plans for the area that:

- implement or advance goals from previously-approved plans OR confirm that existing conditions are in alignment with and meet the goals;

- best protect the ecological and scenic integrity of the Wonderland Lake area;

- improve visitor’s enjoyment;

- improve operations, services, and programs in the area;
  - help youth connect with nature;
  - improve the Foothills Nature Center for Junior Ranger, education, and nature programs.

- Consider a name-change application for the lake area submitted by a community group. (added in 2019)

Plan Guidance

Community Input/Ideas
• Previous Process

June 2019

• Engagement Window #1: Community Shares Ideas

Oct. - Dec. ’19

• Engagement Window #2: Community provides feedback on preferred ideas

Jan-March ’20

• Engagement Window #3: Community provides feedback on a preliminary package of actions

April - June ’20

• OSBT Consideration
  • refine package of actions

We are Here!

Process and Timeline Wonderland Lake ISP
Engagement Window #1
Sharing Your Ideas

1. Wetland and shoreline habitat and wildlife conservation and protection on the north, west, and south sides of the Lake
2. Trail/Trailside improvements
3. Educational Experiences and Interpretive Signs
4. Access to Wonderland Lake Area
5. Wonderland Lake Trailhead and Foothills Nature Center/Facility Improvements
6. Access to, conservation of, and activities on the on the east side of the Lake (along the dam and peninsula)
Wetland and shoreline habitat and wildlife conservation and protection on the N, W, & S sides of the Lake

Community Generated Ideas
Engagement Window #1
Sharing Your Ideas

Working together and helpful tips:
• Be respectful of everyone’s ideas
  • Safe space to provide any perspective/idea
• No need/benefit to repeating ideas
• Don’t have to provide input on all themes
• On-line opportunity to share ideas
  • www.wonderlandlake.info
  • June 21- July 7
• Second meeting next Tuesday
